--------	--	---

On 5/23/18 I was working in the capacity of a Detective for the Criminal Investigations Division of the Port St Lucie Police Department. I was assisting another Detective while he was at Good Samaritan Ministries (8280 Business Park Drive, PSL 34952) on a case follow up.

While at the location I noticed two St Lucie County Deputy uniform shirts and a pair of uniform pants hanging on hangers between some other clothes in the back corner of the office/ room I was in at the time. The room I was in is an office area where the secretary who handles transportation for the business has her desk.

I asked "Sara", the secretary sitting at the desk in the room, about the uniforms. She replied "we got those in a bag of clothes that was donated and we did not know what to do with them". Without prompting she then said "you are welcome to take them".

I took possession of the two shirts and the pair of pants. The two shirts are collared button down short sleeve shirts with the Sheriff's patch as well as a single chevron patch on each sleeve. The shirt size is 16 1/2. The pants are green with a black stripe and the size is a 35R. There was no items in the pocket and/ or anywhere on the items to identify who they were issued to.

I took the items to the Sheriff's office as well as a copy of this report for their review. This case is for informational purposes only and will be given the case status of "A- Administratively Cleared".

A supplemental report will be written if new information becomes available.
